Our Wines

WINE	APPELLATION	SCORES	CHARACTERISTICS
Old Vine Red	California (Sonoma and Mendocino Counties)	88 Pts - Robert Parker The Wine Advocate #193	Old Vine Red is a non-vintage blend that is noted for its amazing level of consistency. The wine is hallmarked by loads of ripe and juicy fruit and a lush mouthfeel; though, there is also an added level of complexity with plenty of pepper spice and dusty earth. Predominantly a Zinfandel based blend, Old Vine Red is a perfect everyday styled red blend that is featured as the “house pour” at many restaurants across the country.
Zinfandel	Sonoma County	90 Pts - Robert Parker The Wine Advocate #193	Our Zinfandel is comprised predominantly from three vineyards. Each vineyard contributes its signature to the whole which gives us a very well rounded wine. Dark blackberry and raspberry fruit with notes of briar patch are complimented by the racier notes of red raspberries and cherries. Hints of pepper and spice round out the aromas.
Cabernet Sauvignon	Alexander Valley	90+ Pts - Robert Parker The Wine Advocate #193	This is a very forward Cabernet Sauvignon, yet it holds on to all of its classic components. Cassis and blackberry fruit are followed by cedar, leather, and dark chocolate. The mouthfeel is rich, structured and long with ample fruit tannin which lends to aging.
Petite Sirah	Alexander Valley	90+ Pts - Robert Parker The Wine Advocate #193	Petite Sirah tends to make very big wines, and this is no exception. Rich blueberries, dark chocolate, espresso, and minerals are all vibrant on the nose, and the mouthfeel is lush with a long finish.
Angeli Cuvee	Alexander Valley	92 Pts - Robert Parker The Wine Advocate #193	Angeli Cuvee is a blend of Zinfandel, Petite Sirah, and Carignane. It is a big, rich wine that is generous in its flavors and aromas of dark berries, graphite, briar patch, and notes of oak. The mouthfeel is lush and full with a structured and long finish.
