

CHRISTO LOT #3

Christo isn't getting any thinner. Now on Lot 3, this wine is a powerhouse: dense, rich, and long. The nose continues to balance deep berry, savory herb and mineral earth characters. A gorgeous rhone-style blend of Syrah, Petite Sirah, Grenache and Viognier, it is extremely easy to drink and it has layers of flavor that last longer than the bottle.

"This is my favorite of all of these wines – a wine of exceptional purity and intensity and plenty of character... It tips the scales at a lofty 15.3% alcohol, but it's well hidden behind a cascade of blackberry and cassis fruit, roasted meats, steak tartare, licorice and Provençal herbs."
