40% aged in stainless steel*

STYLE

Dry, high acid, aromatic

ALCOHOL BY VOLUME

12.5%

PRODUCTION

500 cases

RELEASE DATE

March 2021

OVR SERIES

We take great pride in our OVR Series. Anchored by Old Vine Red, it represents our dedication to producing quality wine that is concentrated, balanced, and delicious. For us, wine is one of the simple pleasures that is part of enjoying food, community, and life.

100% from the dry farmed, head pruned Wirz vineyard in San Benito county which was planted in 1952 and is one of the oldest blocks of Riesling in California. This wine balances tropical, citrus, and jasmine aromas all intermingled with the minerality of an ocean breeze. With a rich, textured, waxy mouth, the long finish is a perfect counterpoint to the tart, lip-smacking acidity. Completely dry and a great foil for food, particularly anything with a shell.
