ESTATE

Starting with only a handful of purchased grapes in 1978, Marietta Cellars has been a standout winery in Sonoma and Mendocino since the very start. Founded by Chris Bilbro, a Sonoma native with winemaking roots dated back three generations, Marietta rose to prominence with its revolutionary Old Vine Red, a California red blend that essentially created the category. The winery has slowly expanded its estate holdings over the past thirty years, evolving into a beacon for high quality, balanced Cabernet Sauvignon, Zinfandel, and Rhône variety blends.

WINE

Named after cellarmaster Román Cisneros who has worked at Marietta for over 32 years, this Estate Zinfandel is from the Angeli estate vineyard in Alexander Valley and the McDowell Valley estate vineyard. One of the grape varieties that Marietta is famous for, this wine captures the bright, juicy character of Zinfandel, and hearkens to an era before dark, thick and oaky styles of Zinfandel took hold.

VINEYARD

The fruit for this wine comes from the Angeli Estate vineyard in Anderson Valley and the McDowell Valley estate. The Angeli Ranch, first planted to vines in the late 1880s, is a 35 acre vineyard connecting Zinfandel planted on gravel swales from the Russian River to terraced knolls planted with Cabernet. Foggy mornings along the Russian River burn off to hot afternoons followed by chilly nights, striking the perfect balance between warm days and cool nights. The McDowell Valley estate, situated in a valley surrounded by mountains, benefits from the cold sink that ensures cool nights and preserves acidity and freshness.

Farming: The Román Zinfandel is made from 100% estate fruit, all of which is organically farmed

WINEMAKING

Variety: 92% Zinfandel, 4% Petite Sirah, 4% Barbera

Aging: 12 months in neutral barrels

Alcohol: 14.8%

VINTAGE

2021's extremely cold and dry winter coupled with a windy spring made for a lighter yielding crop and small berries. These tiny clusters and berries went through the mild growing season with accelerated ripeness and made for a darker more intense wine. Harvest happened a week early across all varietals. Flavors were riper, denser, and showcased more red fruit than other vintages. This was a stellar growing season and the resultant wines are fresh and bright now but are built to age gracefully.

TASTING NOTES

"Notes of white pepper and sage, enliven the core of pomegranate, cranberry and orange zest in this bright, lively Zinfandel. Breadth and darkness come through as briar patch and tobacco leaf, with flint and wet stone adding complexity. Grippy and clean on the palate, with chalk and almond underpinning the ripe strawberry, this is not your typical Zinfandel from California. Dark chocolate and crushed mint lead into drying/textured tannins for a long finish."
